IFLA GENERAL COUNCIL MEETING

Budapest, August 26 - September 2, 1972

To IFLA members. -

Herewith you receive the final registration forms for the General Council Meeting in Budapest.

Every participant is requested to return those before June the 1st to the Conference Office, P.O.B. 12, Budapest VIII, also those who already sent in a preliminary form. The latter will, however, receive the enclosed information directly from the Hungarian organizers with a special covering letter.

The IFLA secretariat, however, was wondering whether all interested persons really did register by means of the preliminary registration form. Therefore it was decided to make absolutely sure and to dispatch the final forms moreover to all members.

Please note that the registration forms for the IFD Conference are also enclosed, as some colleagues are interested in both conferences. Those who are not interested should naturally ignore Annex III.

We apologize for the quality of the papers: those are photocopies from the stencilled Hungarian papers. To avoid possible mistakes, we decided on photocopy.

IFLA secretariat.
